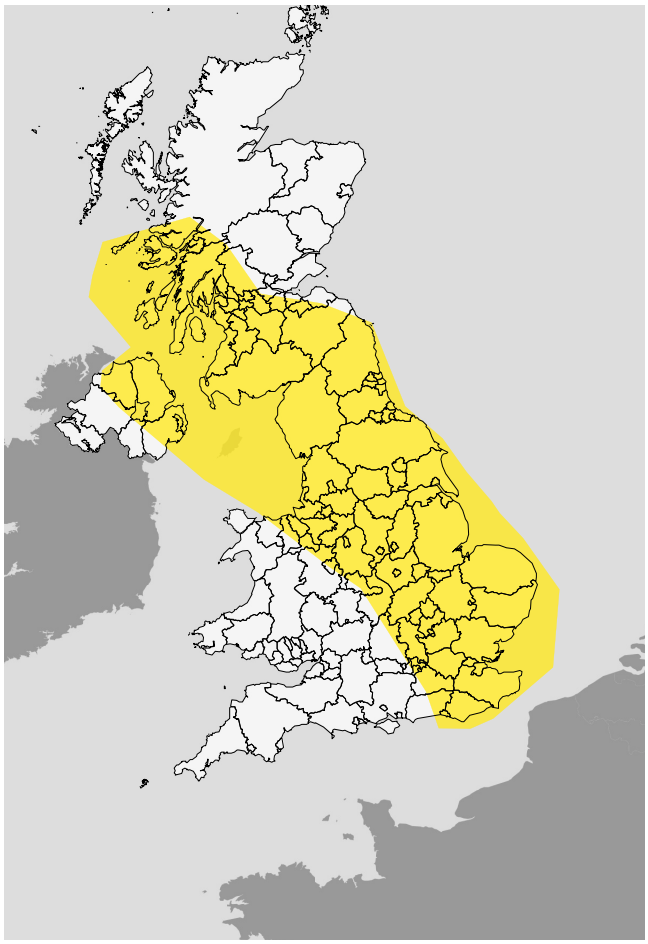
Yellow warning
Rain

Between
09:00 Sat 27 Jul 2019 and
15:00 Sun 28 Jul 2019



Heavy rainfall may lead to flooding in a few places and travel disruption.

What to expect

- Where flooding occurs, there is a slight chance of delays or cancellations to train and bus services
- Spray and flooding could lead to difficult driving conditions and some road closures
- There is a small chance that homes and businesses could be flooded, causing damage to some buildings
- There is a small chance of fast flowing or deep floodwater causing dangerous conditions

Further details

An area of rain is expected to move slowly and erratically northwestwards across parts of the UK on Saturday and Sunday, and while some places within the warning area may see very little others could see several hours of heavy rain. Accumulations of 40-60mm are possible, with perhaps as much as 80-100mm in places, especially over high ground.

Reason for update

To expamd the warning area and an earlier start time.

Very low likelihood of medium impacts
